Dear Parent/Carer

Year 10 Modern Britain, Values and Ethics Lessons – Summer Term

I am writing to you with information about your child's next unit of Modern Britain, Value and Ethics. This term all Year 10 students will be studying a module called 'Don't Worry! Be Happy'. This will provide students with the required elements of PSHE and SRE (Sex and Relationships Education) as set out in Government Guidelines.

Teaching methods for this unit will include information about families, parenting skills, STI's, contraception and other sexual health issues and provision of information in sessions from the external group 'Brooke Advisory Service'.

You may be aware that if you have any concerns about your child participating in these lessons you have the right to request that they be withdrawn from them. If you wish to take this option I would appreciate it if you could contact me at the school, either by telephone on 01908 682222 or by email m.rogers1@radcliffeschool.org.uk, so that appropriate arrangements can be made.

May I take this opportunity to thank you for your continued support. I am always pleased to receive your feedback.

Yours sincerely
